Jack Burdick Stowers

October 18, 1924 ~ May 4, 2023

I have many fun and happy memories of Uncle Jack. It was always fun when his family came back to Salt Lake and I could see my cousins. I appreciate his kindness to my parents in their later years. I wish you, Suzanne and Judy, comfort at this time and happy memories of a great man.

We will miss Jack at senior center a lot. He was the greatest ,his stories were the greatest. Prayers are sent to the family. He will be remember for ever,
