Jack Floyd Wiles

April 2, 1932 ~ November 22, 2023

Jack will definitely be missed. He was a great friend who would do anything to help any friend or family in need. Every round of golf was more competitive and entertaining with Jack in the group. Definitely a lovable character that was truly a soft teddy bear inside. Farewell my friend. Condolences to all the family

- Rick Milne

Rest Peace Jack makes me sad to see you lived so long without the person u loved with your heart and soul, and your little wife my mama Cindy Johnson Wiles ….. you guys are together again … REST IN PEACE
