Dear Kristen Edwards Marquart, We are sorry to hear of the passing of your father. He sounds like a wonderful man and his passing is a great loss to his friends and family. What an interesting life he had, and therefore you, his children, all had! No wonder you are so adventurous yourself. However, having lost my own parents, I know it is never easy to lose a parent and I wish you comfort in your loss and grief. Warm wishes, Camilla Miner Smith

I have known Jack since 1961 while we were students in chemical engineering at the U . He was a great friend. To make it thru the tuff courses of Chem E, we often studied together . Jack will be missed.

Jack, a remarkable, one of a kind man; always friendly, kind and positive. He served as high counselor to the Arlington Hills Ward and embraced as us loved friends and colleagues.

So sorry to hear of Jack's passing. I worked in the same area of Aramco for many years and also played golf with him from time to time. I always found him to be very knowledgeable about so many things, but in a completely unassuming way. He was a true gentleman and we are so glad to have had the privilege of knowing him and his family for the past thirty years.

Jack was a most welcoming, generous brother-in-law. He had a true gift of patience. He and Jim could talk about anything together. It didn't take them long to become buddies. His wisdom and spiritual leadership were highly respected. We loved him and will miss him greatly.

Dave and I are saddened by the loss of your faithful husband Leslie and to the grown children who he loved so dearly. Your writing of some of the story of His life was amazing to read and to fill in the years that we did not know Leslie and Jack. Blessed are you all to have him in your lives. Love to you all.

- Carolyn Thomas

The world has lost a kind, gentle giant and we are struck with regret at not having seen Jack and Leslie for so many years. Our love to you.

I cannot think of Jack without remembering his kind, always present, gentle smile. I am seeing it in my mind as I write this. What a treasured life and example to his family and to us all. We need more Jack Edwards in this world. ♥■■■■

My favorite memories of Uncle Jack are of him humming and singing in the kitchen while the family created something delicious to enjoy together. Whenever I visited, he never failed to ask me about my life and interests, even as his memory faded. Jack's encouragement and support during my emerging and young adulthood have buoyed me up on multiple occasions. His words of wisdom were formative and will stay with me forever. Jack was the best uncle a girl could hope for, I love and miss him ♥■

Blessing to serve with one of the great ones who loved his savior and fellow men.

I always called him Uncle Jack, but he was my dad's first cousin. He treated me so well and I was very fond of my uncle. I always looked forward to his yearly visits to Idaho. We had some great fishing experiences. A wonderful man and my family was better for his influence in our lives.

Dear Leslie, Seeing Jack's picture in the paper yesterday, I felt again his gentle kindness. Although I don't know him well, I have felt immediately at home with him when Jerry and I have been with both of you at various gatherings. What a loss for you! You and your family are in our prayers tonight. Unforgettable he is!

Dear Leslie, Josh, Kristen and Susan, We were so sad to hear of Jack's passing. Your family was a big part of our Saudi family for many years. They were the best of times! About a week before Jack passed I was reading old letters I wrote to my parents that they had saved. I came across this written February 6, 1989: "Friday I was set apart for my Primary calling and it was one of the nicest blessings I've ever received. Jack Edwards set me apart. He said that the Lord was pleased with my willingness to serve. That touched me very much. Then he blessed me with greater capacity than I have now to accomplish my callings and take care of my family. It was a sweet experience for me." My thought, as I read this, was I need to send a note to Jack and tell him that his sweet blessing made it into a letter home and that I still appreciate him for it. I believe I received the blessings he promised. So when the news came that he had passed, I had been thinking about him, but not expecting he would be gone. We will miss Jack at all the Saudi gatherings. We know you miss him, too. I feel certain he will be blessing you from where he is. God bless you. With much love, Dora and Rich Hunter
