

Jack Jule Gifford

September 14, 1928 ~ September 15, 2025

Dear Jan and girls I am so sorry for your loss . Your dad and husband was a giant amd yet so humble . He gave me the desire to pursue history in college . His analytical mind always pushed you to strive for more . He will be missed I will always be grateful for the time that he spent educating students at Westminster Colege. My thoughts and prayers are with you and your family
