

## Jack Lee English

*May 15, 1925 ~ March 14, 2022*

---

Mr. and Mrs. English and the entire family were such a big part of my wonderful childhood memories growing up in Maplewood. I am very happy to see he lived such a long and wonderful life with so many grandchildren and great grandchildren. Hopefully he shared his many stories as he did with me and all of our neighbors growing up at Christmas time. The memories of caroling at Christmas time with all of our neighbors and ending up back at the English house for hot chocolate, cookies and the never ending Moby Dick story from this amazing man. These childhood memories I will cherish forever!
