I worked with Jack for many years while we were both at Larry Mllers in Sandy. He was always a joy to work with. A great man who will be missed by all who knew him!! So sorry for your loss. He definitely left the world a better place wherever he was!!

A great loss for you and all who loved Jack so deeply. He will live on through his children and family members who will follow in his path to be as great as he was. He will be greatly remembered. With sincere respect for how he conducted his life and great sympathy, love Robert and Julie Terry
