I was truly saddened to here of the passing of Jack. Everyone who crossed his path became a friend. He always had a cheerful hello and smile when ever he came into your presence. Truly a great guy. He will never be forgotten. Rest in peace Jack.

- Chuck Groskopf

On to the next chapter Jack. We are on this planet for a short while and we leave our legacy by our actions.You left a lot of legacy.. I enjoyed growing up next door to you on Andover as we had similar lifestyles. You packed a lot of living in 65 years and made a lifetime of friends in the process. Be proud of the respect you earned while here. Look forward to seeing you again in the afterlife.

Jack was the kind of guy everyone loved. He was unfailing kind and always had a huge smile on his face. I met Jack in school backing good ol’ San Leandro. Jack was much loved and he will be missed by so many. Heaven has a new ■■ star. Safe travels my friend.

- Cindi Bass-Palmer

Our friendship will always be so special to me. Whether 10 days or 10 years, we were able to pick up where we left off and there's not many in my world I can do that with. You are kind, caring and forgiving. All the best qualities people can have. I just can't bring myself to say good bye, only see you down the road. BIG HUGS JACK!

What a beautiful service for Jack today. It still feels unreal. We knew he was not feeling his best, but WOW, this truly rocked our world. I know someday we will see each other again. Until then I will have to draw upon those many memories that I have. There will not be a movie, play, concert or Sunday dinner that we won't be thinking about you Jack. ♥■♥■♥■
