Judy and family, We are so sorry to her about the passing of Jack. Our family has fond memories of Jack. Especially at the club. He was a great example what it means to serve one another. He will be missed. We wish we could be there in person to pay our respects. God Speed. Lars and Liz.

Dear Judy and family, I am so sorry to hear of Jack's passing. He was such a good man and an even better husband, father, and grandfather. I am praying for the spirit of the comforter and our Heavenly Father to be with you now and in future as you face this new challenge. Love ~ Debbie Waldram (your other "sister" or Mary's friend)

Our sincerest condolences to alll your family. Did not know Jack well but the few times that I did meet you seem like a very wonderful man. He introduced me to the show Longmire while we were both visiting at my daughters and his son’s home. God bless you. And give your family comfort that you are in heaven with our Dear Lord Jesus.
