Mama Jackie. You will be forever missed by your family, and by mine. You brought so much joy to everyone who knew you. I have known you and Dennis since I was 7 years old, that means for 53 years now. You have such a beautiful posterity and I have always enjoyed so many of our viists over the years. Tony has been waiting for a while and I am sure the feast he prepared for you was one of great joy for you and all you loved ones. Say hi to my dad when you get a chance. Dennis, and your children, I am here for you all, if you need an ear or help in some way, please let me know.

My dear friend, neighbor and Jazz buddy. I will miss you but know you are not in any pain anymore and are surrounded by loved ones who have been anxiously waiting for you. I feel like you touched everyone you were intended to here on earth and I was one of the lucky ones to meet you and have a relationship with you. And also your caring husband Dennis and your wonderful family. Thank you for letting me be a part of your extended family. Jackie made me feel like I was part of the family from the moment I first met her. I will miss our Jazz game get togethers, with the chinese take-out, crafting, movie nights, Ute football games and getting a mani and pedi together. I love you, and will miss you always... Janet

Dear Uncle Dennis and family, I am so sorry for your loss! I loved Aunt Jackie so very much! She was always good to me. She is an amazing woman with a great big heart. I will always remember the fun times I had playing at your home in my youth. We children were lucky to be raised by two very close sisters who allowed us many wonderful adventures together. I smile through tears when I think of their joyous reunion! Although we have not seen a lot of each other through the years, those memories are in my heart and held dear! May the Lord continue to bless and comfort you and your family! Thanks be to God, that we can rejoice in the knowledge that life and families are Eternal! All my love, Joanne Our Father and us children are so honored to make a donation in Aunt Jackie’s name to the Food Bank

Aunt Jackie meant a lot to me. She always made me forget that she was my aunt by marriage. Alway made me feel special and loved. RIP to not not just my family but also my friend. She will be deeply missed.

Having grown up with Jackie and her family it felt like we were part of one much larger family. I have many fond memories and experienced first hand her generosity and love. My heart goes out to her family as I know how hard it is to lose a parent. Remember the joy and love always. Kent and Yvonne Cheek

So sorry for your lost. Jackie was always so welcoming when we went to visit the Hansen's as a child. I remember Jackie and Dennis came to Missouri to visit and we went to that Fantastic Caverns in Springfield Missouri and she was so excited because that was the first cave they allowed her in. She will be surley missed as God took an angel home. I loved her very much as she was always kind and loving toward me. Hugs to all of us who are going to miss her.
