

Jacqueline Kener Rich

November 27, 1940 ~ February 21, 2021

Dear Children of Jacquie and Bill: We wish to extend our sincerest condolences to you and all the family. We are the two first cousins of your father who bear the name Rich. We regret that we cannot be with you in this time of your loss. Both of us have fond memories of the separate visits we had with Bill and Jacquie, and some of you, years ago at your home in California. Please know that we will be with you in spirit on Friday. Family Love To All. Ervin and Neel Rich
