Please accept my deepest condolences for your family’s loss. Words cannot even begin to express my deepest sorrow. I truly will miss Hunter he was such a great person and I loved him. All of you are in my prayers. I have so many wonderful memories of Hunter. I’m really going to miss him. Love all of you, Joyce Reese

Jim, Hard to believe this earthly "adventure" has come to an end. Your generosity and friendship is something I will cherish. Certainly hunting will never be the same without you. Thanks for being a blessing in my life and the lives of my family. Save a couple of roosters for me as you hunt with Athena.

- Brian O'Mara

Hunter was a wonderful and trusted friend. I have always cherished out-fishing him on the "super-secret" Mirror Lake (of course he never admitted it). We shared many laughs and great times during the construction of Mountain View Corridor. The hummingbird frenzy at the cabin and 4-wheeling will be orever in my heart/memory, truly, Dalia-Houston, TX

I am so sorry for your loss. Jim was such a large part of my childhood and young adulthood with my dad's rides, playing volleyball in the backyard and riding in the old jeep when the hood popped open on us. I will always remember his smile and the competitive streak he had when playing softball. He was so generous with his time,

helping my dad and letting us use his four wheeler when we came to Clear Creek to visit. Thinking of all of you! Piper

So sorry for your loss. This is heartbreaking. Jim was our “neighbor” in Clear Creek. We are grateful to have met him and for the opportunity to see a fabulous father in action. He will be sorely missed, but we are fortunate to have met him and to have had a great dose of his sense of humor.

Dada, I love you to pieces and I hope everyone figures out what to do with everything of yours I know you know that you loved me and I loved you very very very much. Love-Your Daughter Emma
