

James (Jim) Anderson

May 11, 1949 ~ June 29, 2021

Dear Family and Darlene we are still in shock from hearing the new about Jim's passing. We where just thinking about all the times we spent together and the camping and the fishing we did, and we where looking forward to the cruise together. We are so sorry for your loss and we wish we could be there with you Darlene and you whole Family just know we are sending you our love and prayers, until we meet again.

What a lovely tribute! My favorite part was when it made me laugh! Jim was a ton of fun! He has left a huge void in our family which makes me sad and happy that I was fortunate to have him in my life as my dear sisters husband and sad that the last time I saw him we made him cry! (No, we are not bullies, just loving on him for his last birthday, brought tears to his eyes)! Darlene and Angela's and Jen, you were blessed to have been touched by his gentle and patient presence. I'm sending you much love and hugs! Dee

Darlene, Jen and Andy, Angie, and Angie, I don't even have words to express how sorry I am for your loss. It doesn't even seem possible. He was there at Milo's funeral a week and a half ago and now he's gone, too. He was like part of our family, too! I'm so sorry for your loss. Please let me know if there's anything I can do for you .Hugs

We loved spending time at Jim and Darlene's, they were family to us. As the years went on, we got older and moved further away, which is unfortunate. But I do cherish the memories that were made with Jim and the rest of the family. Jim always made me laugh. Jim always made me feel welcomed and like a part of the family. I am sad that he is gone. I will always remember his generosity, humor, kindness and he was such a fun person to be around. I really, truly cherish the memories that we made with Jim. What a wonderful man, I will cherish those memories forever!

You will be truly missed. We had a great time having you on our bowling team. Your friendship and great humor always made us feel like we were special.
