

James A. Black

July 7, 1940 ~ March 13, 2025

All my love to the Black family. So many happy memories of being welcomed in your home. Jim’s kindness to my parents, my siblings and me was so sincere and we all loved being around him. Thank you for being such a great example of Christlike friendship.

It has been a joy to be in the ward with Jim and Carma all of these years. I will miss the greetings of my "shirt tail" cousin especially in our ward meetings. He has been ever so kind.

Hi Carma I read on the internet about Jim's passing. I got to know Jim when we were trade school before we were hired at Sperry. He was a real good friend, a lot of fun to be around. Jim always spoke so highly of you. I left Sperry in 1962, after all those years I still remember the fun times we had, especially the trip to California and to Tijuana to get his car upholstered. Lots of other special memories. He was a real special friend. I am so sorry for your loss, I know what its like to lose a loved one. I hope you and your family are all well. Mack Sorenson

Carma, My deepest sympathy for your loss. Sorry that I just read about it. I remember Jim from our days playing basketball together, and you of course were part of my neighborhood from as long as I can remember. Best wishes to you and your lovely family.
