

James Edward (Big) Beach

November 25, 1950 ~ December 2, 2024

Sending love from California. Wish I lived closer to family to give you all a big hug. I have wonderful, fun , loving memories at the Beach home with cousins growing up. I felt loved and welcomed and will miss Beach. I pray that the spirit of peace can fill your hearts during this hard time and through the rest of your lives until you are reunited with your hubby, dad, and grandpa again!

My prayers are sent to the beach family. He was a good man. I know he will be missed

I had the privilege of working with Jim on numerous construction projects during his time as a Field Inspector with CSI. He was always a reliable and supportive colleague, and I could always count on him to get the job done with professionalism and integrity. His presence will be greatly missed.
