Jim and I grew up in Evanston Wyoming. Our fathers were engineers for the Union Pacific railroad. He always had a smile and was a gentle soul. He and Elsie were soul mates and enjoyed their life together. He will be missed by everyone.

I will miss you Jim. I've known Elsie since 1968 when both our families moved to Salt Lake. Jim came into the picture in 1986 when he & Elsie married in SALT LAKE (not Chicago!) & I have fond memories of visiting them, along with my husband & parents at their "pool parties" after they moved to Canyon Crest. Now Elsie & I are the only ones remaining. Jim was always such a great guy & so fun to be around, even as he became more frail the last few years. Rest in peace Jim & you will always remain in our memories from better times.

My condolences to all of you. May good memories bring you peace and comfort.

I first met Jim & Elsie at Red Butte Garden, they would stop in my office on their way for a walk. Jim was a true gentleman, always kind with a smile on his face. He will be missed.

Dear Elfie, I am sorry to hear about Jimmy passing. He was a very special man with a gentle and kind spirit. I have many fond memories including of the two of you coming to the Orthopaedic Center so you could exercise in the pool and Jimmy in the gym. May he rest in peace. Barbara

Dear Jim, Thank you for being so kind to my family when we first came over to the US all those many years ago. Your and Elfie's friendship meant a lot to my parents who knew nobody in this new and foreign land. I am grateful that I happened to be in SLC last year and got to see you one last time. And I am honored to have been able to farewell you on your journey to the beyond. May you rest in peace with God, and forever in our loving memories. Sincerely, Marianna
