I am so sorry to hear that Jim has passed. I enjoyed getting to know Jim at each brief INR visit I had with him- learning of his life stories, about his family - his beautiful wife that he loves so dearly and what "fun" he had working at the dollar store! He clearly was a man that was looked up to and respected by many. I pray for peace and comfort in your hearts. I know that many warm and loving memories of Jim will bring you all joy! With deepest sympathies for a lost friend. Julee Montgomery, RN

Dearest Marilyn and family, Please accept my condolences for the passing of your beloved Jim. My closeness with him started when he was born about two weeks and exactly two doors west of me on Union Avenue. For a few years I thought he was older because he rode a bike like my older brother Dan while I rode my trike. That feeling of looking up to him has never changed. And I will always cherish the friendship we had.
