Sorry to hear about your father's passing. I loved visiting with him and your mother. He was the best neighbor ever. We will keep you in our prayers. Love Ilene and Bryan Hancock

Sorry, about your lost Gary and Sandy. Your Dad was a special person to me. He was such a happy person, he liked you for who you were. I try to go see him after he moved until we moved. I wonder all the time how he was doing. This great person totally fulfilled his duty on this earth. RIP

We were in the 20th Ward with Jim and Carol and knew them to be friendly and loving people. They will be so happy to be reunited in heaven and we will one day be able to wrap our arms around them again. Our hearts go out to your family. Love from Scott and Debbie Neeley

That was a wonderful service. Uncle Jim had the best smile. He was so kind. He had the ability to make everyone feel that they were important. I'll never forget family times together with aunts, uncles, and cousins! Uncle Jim and Aunt Carol are an amazing team. I'm so grateful to know them both. Sending prayers for all their amazing family. love, Sandy Sanderson Hawkins

I'll always be grateful for the financial help for my missionary son from the Rane family. Several years later that same son had the privilege of working with the family as Carol's hospice nurse. He and I love both Carol and Jim dearly.

I will forever be grateful for having had the privilege of knowing Jim Rane and his wife, Carol. Jim was truly the kind of friend you could always count on to be there when you needed help. Most often he showed up without even being asked. I cannot number the number of times he helped my Dad and me fix a broken sprinkler, install a handicap ramp, or take me to a doctor's appointment when I was told I would need a driver to take me home after a procedure. He was my parents and my home teacher for over 15 years, and never failed to come by for a visit during all those years. In his later years I would drop by and visit with him and often he would ask me if I could get my accordion and play a couple of songs. After he moved into the Lodge I continued taking my accordion and visiting with him one or twice a month, right up until he moved to a different facility and the Covid Pandemic hit making it impossible to visit the nursing homes. I am going to miss Jim, but I can't help but smile as think of him being reunited with his beloved Carol, surrounded by countless family and friends who preceeded him in returning home to God's presence.

We're out of town and unfortunately won't be able to attend Jim's. Funeral. It was always such a pleasure to visit with Jim and Carol when they were here in the ward. It was obvious to us how devoted they were to each other. They were a great example for everyone to live by. JoLayne especially enjoyed her opportunity to serve as Carol's visiting teacher and I was blessed to serve with Jim in our stake callings. We send our love and condolences to the Rane family.
