Hi Jim. I know you are up in Heaven now. Out of pain and the nauseousness. No more tests and treatments and medications. I'll miss you more than I can say. My heart is sad and heavy right now..I feel so bad for Lisa and the kids and Grandkids but we are all glad that you are now at rest and in Heaven. I'm so sorry this happened to you. These last 6 years have been so agonizing for you and your family. You have left quite a legacy in this World. I've always been so very proud of you. As a brother, man, husband, uncle, father and Grandfather. You lived your life to the fullest and did so much good in your life.. I love you and keep you forever in my heart, thoughts and memories..love Kathy
