

James "Jim" Puuri

October 29, 1955 ~ September 13, 2024

With great sadness we heard of Jim's sudden passing. We grew up on neighboring farms and spent time working and visiting with the family. Jim was a great outdoors man. He always managed those 24" plus steelhead during early fishing season. The overnight camping and fishing trips were his hallmark. Jim will be missed by our family. His honest and humble demeanor not forgotten. Rest in Peace Jim.

- Bruce Porkka

I never knew Jim , but I knew his parents Edwin and Ingrid. I was a boy that spent a summer on the Puuri farm. Edwin and Ingrid did not have children at the time. I guess having me on the farm lit a fire in Jim’s parents as they then had children, Your parents were the best and I cherish those memories. You were lucky to have them as parents. God be with you , Jim.
