I have sweet memories of Uncle Jim from my childhood. As I got older I enjoyed a friendship with him and his family when both of our children were young. I always admired his deep love and commitment to his wife and kids. They were always a top priority for him. He was a special person and he will be missed by many. Those of us who were fortunate enough to have him in our lives were blessed. Sending heartfelt condolences to Andrea and their family. Praying for God's comfort and peace to surround each of you during this difficult time of great loss. Lovingly Shar and Gail
