

James Melvin Martin

March 19, 1936 ~ February 11, 2025

Jim was a great guy. I managed a couple western stores in the 70's & 80's. I always enjoyed working with Jim and looked forward to him coming into the stores. We went to lunch together often. I haven't talked with him for along time but I think of him often.

Such a nice man. Sorry for the loss to the family!

Jim has been my neighbor for many years we shared many common experiences of skiing, sports, the outdoors and politics. He was a true friend and confidant always there to help and encourage. We will miss him.

I did not have the pleasure of meeting Jim. I heard so much about him through his daughter Michelle, whom I met at the pool where we swim laps. Her converse about her dad support the kind of a father who delighted in his primary and extended family. May all who loved him treasure his fortitude and kindness.

I met Mr. Martin.....Jim at a time in my life where I needed to know someone who had come from very little and made a success of his life. Having a beautiful family and respect from the industry he loved so much. He was a very giving and kind soul who was always ready to help. Jim you changed my life and for that I am eternally grateful. I did not know of your passing , but I celebrate your life and the many people you affected with your support and love. Cheers to you Jim. B Santistevan 801-201-8031
