My thoughts and prayers are with y'all I am so sorry for your loss. (John 11:25) Jesus said to her: “I am the resurrection and the life. The one who exercises faith in me, even though he dies, will come to life."

I was shocked when Dorothy contacted me. I have so many fond memories of Jim. His laugh comes to mind first alone with his smile. He always loved a good joke and throughly enjoyed giving someone a good ribbing. Working with him was always a pleasure.

My favorite employer in my life has certainly been Hydro Engineering, and the chance I've had to work closely with Jim made coming to work each day something I looked forward to. The rough exterior he worked hard to show definitely covered a kind, good, and compassionate heart. I will always be happy to have known him. Thanks Jim.

Dear Karen & Family, I’m sending our heartfelt condolences to you , Meghan, & extended family from my family & from our mom, Cecelia, & late father, William Lopez. We were deeply saddened to hear of Jim’s passing! As family of Richard Lopez, we got to know Jim, his beautiful obituary mentioned how he cared for his employees and their families , I attest to that and we , truly, felt his genuine care! My mom made it a point to see him a few weeks back when we stopped by to see Richard and she will cherish that visit! Jim was a good man and we want you to know we appreciated his kindness and his friendship! God bless you all! Love, the Lopez & Jackson Families! ■†■■■■■
