So sad! Our condolences to you all!

- Bob McLellan

We were so sorry to hear of Jim’s passing. I worked with him for a few years out at Richardson Flat. I admired his work ethic and enjoyed getting to know him and James. Thinking of you and your family at this difficult time. Jeff and Niki

So sorry to hear of Jim's passing. We worked together for a number of years on the Rico, Colorado mine-water biological treatment project advancing that technology and publishing together. But more than that, we both enjoyed our time together discussing our various hobbies and chores related to horses, dogs and ranching. My prayers go out to all of his family and especially with him!

I am so sorry to hear of Jim’s passing. He was a good friend during high school. I will always remember his smile, sense of humor and his friendship. Prayers to his family.

Saddened to hear about Jim's passing. I knew him throughout our high school years in Thermopolis. He was a great guy. My husband,Truman, swam with Jim at THS too and remembers Jim wearing his cowboy hat at swim meets. JIM LET Truman wear it for a bit at one meet.thats the kind of guy he was....our sincere sympathy to Jim's family. Truman and Trish Dickeson
