

James William Harr

November 25, 1945 ~ July 16, 2022

Our hearts go out to you at the passing of your father from this earthly life to his heavenly home. John and I felt your father's wonderful spirit the times we were able to see him at Graham and Megan's when we were out to visit. Reading about his life we got a sense of why we felt that spirit in your dad. He was a kind, caring, giving man. We send our prayers to the Harr family for peace and comfort at this tender time. My condolences to Jim's family. I knew Jim as a member of our priests quorum when we lived in Murray. He was a year older but he was a good friend.

To James Harr family, My deepest sympathies for your loss of my cousin, Jimmy. His countenance was filled with the light of Christ. My thoughts and prayers are of you at this sad time. Love, Marilyn Sorensen

James and I were companions in the Mission Home in SLC prior to departure to Finland, February 1965. We had a unique experience at the temple that I will never forget. At breakfast before entering the Temple, we got distracted and were late to the endowment session. We arrived last and sat at the back of endowment room. Prior to the 2nd session, we met with the Brethren in the Assembly Room in the upper part of the Temple. Sitting there, we decided that we were going to be first in line for the 2nd session and hurried to our seats. Just before the session began, the Mission Home President and another person showed up (late) and the officiator asked Jim and I to give up our seats. We, of course did so (somewhat disappointed); and sat at the back of the endowment room. Just before moving to the next endowment room, the officiator paused the transition and asked us to come to the front of the line. Happily we did. The scripture noting that the first shall be last and the last shall be first -- came to mind. Farewell Veli (brother in Finnish); probably see you sooner than later!

I am sorry for your loss. Jim and I were best friends from elementary to high school. I was good friends with Leffel and Jeanne and Kathy. The Harr's had me at their home many times. Jim and I dragged State Street in that old 37 Chrysler more times than I could count. Kathy always kept me informed on Jim's love life as a sister should. Jim was a great man and will be missed. May the Lord provide you comfort at this time. Kent & Gina Ballard and Family.

We knew Jim and Glenda when they moved to Seattle. A nicer, kinder, more caring couple we have never known. We send our love and condolences to their family.
