Dear Edna, Holly, Steve and Christopher, I was so sorry to hear of Jim’s death and hope you know how much he and all of you mean to me and our family. You are dear friends and have made such a difference in my life. You are some of the best people I know. I am sending my love, support and prayers your way. I hope you will feel comforted and cared for during this time.

We were deeply saddened by the news of the passing of this great man. He was a very well respected leader and friend. I remember one morning around 7:30am he popped into my store in Idaho Falls and said “let’s go for a ride”.Scared the heck out of me and I thought my career had ended, but he just wanted to go visit our competitors. I learned more that morning than any other time during my career with Smith’s. We talked and talked. It was like talking to my best friend. I will miss him.

Aunt Edna and Family, My prayers are with you at this time. The influence that you and Jim had in my life is beyond description. It was through your support and examples that a young inexperienced boy with family obligations could see a path to success and happiness. Through the passing years, your family has remained in my thoughts. It was so good to see you and Jim at Brandon's wedding. May you find peace and comfort in the Lord. Sending my love, Wynn Pead

To the Hallsey Family. What sad news to hear. I loved your Dad, He was a great man, great leader, great mentor, a great role model, and one of the few whom I whole heartedly respected and looked up to for the majority of my life. I thought he'd live forever as he was always strong and unbeatable. Sending prayers to you and the family. My condolences to all of you.

We have lost the best of the best. Jim is a great man who inspired all who knew him with his work ethic and his giving heart to those in need. He never forgot his small town roots and treated all he met with kindness and compassion.. II the world population would love and care for each other as Jim Hallsey, there would be peace on earth. About right now, Jim and Tyler are having a great time on the golf course and both are at peace . God bless you Edna and your family.

Steve and Norm, so sorry to hear about Jim's passing. He was a great leader at Smith's and always treated everyone the same. As a rep, I was always excited to run into Jim at Smith's office or at the Stores. I remember running into him at a Store in Phoenix when I when traveled there for a reset and the first thing he said to me was "Sandall, what are you doing here?' He made me feel very special. He was one of a kind and will be greatly missed. My thoughts and prayers with you and your family.
