

Jamie Lavon Christensen

January 29, 1972 ~ October 23, 2025

I am so sorry to hear about Jamie's passing. I met her briefly at a film festival and after talking to her for a few minutes it was like she was an old friend for years. My heart goes out to all her friends, family, and of course her children. May the LORD bless all of you.

My dearest Jamie, today my heart yearns for your presence! I vividly recall you gently correcting me around age five when I told the teacher at West End my birthday was the 1st. You chimed in and said her birthday is actually the 21st. What a poignant coincidence that your memorial falls on this day in Utah. I'll be eagerly awaiting your arrival soon! Knowing you'll be here brings me peace, just as you had mentioned during our conversations last summer, though none of us foresaw it would be so soon! I love you eternally and will visit our cherished spot on the beach, the last place we shared memories together. You shared with Addison that I adore the song Rio, which has now become a melody that reminds me of you and our bond!
