

Jane Hatch Jordan

Feb. 20, 1929 ~ Oct. 15, 2020

Our condolences to all the Jordan family. While we have not had close contact for some time, we have very fond memories as neighbors, colleagues and good friends. Jean & Jane played a tennis for decades. Harry & Bill were professional colleagues as anesthesiologists faculty members at the University of Utah Medical School. May good memories sustain you all in your time of sorrow.

I'm so sorry for your loss. We miss you.

Our condolences to Jane's family and friends. She was proud of her pioneer ancestors. She was a member of Daughters of Utah Pioneers, joining in 2005.

Jane and I played tennis and golf together, shared a room while traveling. I loved having her for a friend.

Jane was one of my dearest friends over the years. I was in a little singing group (I played the piano) and the group preformed in many nursing homes and other events. Jane was a leader in many ways. We had a small group of 5 of us that began in junior high, through university years, and lasted until our old age. We were all like sisters. I love Jane very much, and will treasure our many times together. Love, Teddy Cannon Stringham
