

Jane Kratzer Ball

August 19, 1945 ~ February 13, 2021

To Jane's family ... I'm still trying to realize this has happened. I had a most delightful, long chat with her just a day or so before this happened. Jane was a dear friend ... and I have so many happy memories of our shared experiences ... especially Paris. ...h

I was so shocked when our mutual friend Helen Patterson told me that Jane had passed away. I was so very sad to hear this. Helen Jane and I all worked together at Borge Andersen's We three went to Paris together, what a great time we had. We also used to have lunch together every couple of months RIP Jane, I will miss you
