Dear Family of Ms. Wong-Liu, I was a student of Madame Wong at Cyprus High School (Class of 1986). Mme. Wong made a mark on me and my classmates. She was a positive influence on us and changed the course of history for the better. My classmate in Mme. Wong's French class was Robbie McDaniel who is now the principal at Cyprus High. Mme. Wong was so patient with us and our sophomoric (an English word she taught us) antics. Hopefully we provided her with some pride as we went on in life. Merci Beaucoup, Madame Wong-Liu John Huber
