Shelley, I am so sorry to hear of Jan’s passing. I worked with Jan at St Joes for about 6 years, she was an awesome lady. I know that you were the light of her life, hold all her memories close to your heart. Prayers for peace & healing at this sad time.

- Mary Harshberger Duchsherer

My deepest and most sincerest condolences to you Shelley. My heart is broken for your loss. This world is a lot less brighter without Jan. I will remember the brief moments we got to visit with her. And how big her smile was and the tenderness of her voice, and the warmth of her hugs. I wish I could be there with all of you. May she rest eternally in peace.

Shelly, I loved seeing the pictures of you and your Mom. Thank you for sending them to Jean and Jo. Appreciated them sharing them with me. I wish I could attend the services for your Mom but have other commitments the day of her service. It was an honor to know her. She was easy to love. We had many good chats about many different things on the way to and from her treatments and lots of good laughs. I will never forget her. I am so glad that she passed away peacefully and that her mortal trials are over. She endured so much and we all admired her strength and courage. I know you will miss her and I sincerely hope that you will be comforted at this time of loss. You were her world. Joetta Hirschi

The first time I met Jan she told me about her background, I told her my mom was from North Dakota and had ancestors from Norway. Jan lit up like a light bulb and we talked about food and traditions, we talked and laughed like we were old friends. After that when my Grandson, Skyler would visit her she would always ask about me. When I went to see her again she remembered me and we visited like best friends. She was a very special friend. She touched my heart the moment I met her. It is a pleasure to have known her.she will be missed but preciously remembered.
