October 24, 1931 ~ May 16, 2024

We are so sorry for your loss, but we know Janet is reunited with Keith. We hope you feel God's arms around you with comfort and peace as you mourn this loss. We love your family.

Such a beautiful tribute to Aunt Janet. Oh how we love her! Aunt Janet was so gentle, so positive & so loving. She had a way of making others feel so important and so special to her! Janet made such an imprint on my heart at a young age and I will forever be grateful for the love and friendship my mom, Frances Blackhurst Toon, shared with her! So happy Janet is reunited with her husband, son, and so many others including my mom- love and hugs to all of Janet’s family during this tender time! ♥■

From the single branch of Keith and Janet’s posterity of which I am familiar I would judge that they were exceptional individuals within the home and throughout the community. May peace and blessings be with the extended Romney family at this tender time. ■■

I remember being a flower girl In her wedding many years ago. I was just little but I remember wearing the most beautiful dress. She sang at my father’s funeral and made it really special.

Brad & family, Sorry to hear about your mother's passing. Losing a parent is always difficult. Having known your family for as long as I can remember, Douglas, Roosevelt, East, she did a wonderful job raising such a great family. Her kindness and love shown through in you kids. Thinking about you at this time.

Sending condolences to the whole Romney family. I'm am so sorry for your loss. Janet was always so kind to me...perhaps too kind as she even let me use her BMW for a high school prom date! The world just lost a very special lady.
