Sympathies to you, Heather, and all your family. Bearsie and I shared a lot of adventures back in the 70's while working together at the Outlaw Inn. So glad we kept in touch and saw each other every few years since. Spoke with her last on October 19th and she was the upbeat brilliant person that made you smile as she had always been. There is a place in my heart where memories of her will always be and will continue to make me smile.

I knew Bearsie from years ago in Great Falls, MT. She was always a classy lady and an example to me (I was 4 years younger).
