Ron, I was so sorry to learn of Janet's passing. I feel for you. You and Janet were always great neighbors and friends. The great thing for you is that you have your kids and grand-kids to help fill your void. I have some great memories of our times together - the things you and I did together and maybe some we that we shouldn't have done. But all fun at the moment. I hope that you are doing well and all the kids and their families are also doing well. Again, I personally feel for you! If you are ever in the neighborhood - drop in. It would be great to see and visit with you - or call if you would like. My son, Scott sent me the information about Janet. With COVID, it makes normal issues and circumstances hard to express how you feel to those hurting the most. My condolences and sympathy, Henry Sligting

Dear Ron, Heather, Brady and Jamie, I am so unbelievably sad to hear about Janet. I loved her so much! She was like a second mom to me be growing up. She made the Best strawberry shortcake and I was always so jealous she bought you “sugar” cereals. She was the sweetest happiest Mom. She was a big reason why I loved being at your house so much! My favorite though, will always be her hair. She had the best hair!! Always perfect!!! Love you guys, miss you guys!! Your family made my childhood and I am so grateful for that time I had with you guys. Your mom was the best! I am loving seeing these old photos of her! Man was she pretty!!!! I saw her a while back at my dads Moms funereal and I was So excited because I hadn’t seen her in so long!!! And she still had that amazing beehive hair do!! I love you Janet!! Thank you for so many childhood memories that I will never forget. And sending love and strength to you Ron, Heather, Brady and Jamie. With Love, Amy Lloyd Barnes

Janet was always so so kind to me growing up. I spent so much time over at her house with Jamie... she was always happy to see me, greeted me with a candy bar. I loved her giggle and support she always gave us! Love you!

To: Ron, Heather, Brady ans Jamie, I first met Janet in 1953 when she worked at the Blue Cottage restraunt in Midvale. Yes before she married your dad Jack Mannion and I would stop to give Janet a bad time and eat ice cream. She was very pretty and even nicer. Later when she and Ron married they have always been very special to us. I will never forget the luncheon she prepared for Sandy and me after our marriage in the Salt Lake temple. The times we spent together traveling to California, Washington D.C., Nevada and Hawaii were very special to us and they will always be engraved in our minds. We will always be available to you in times of need. All our love. Harold and Sandy

Dear Ron, We are deeply saddened by the loss of your dear wife Janet. She was was a stalwart in the Primary Program. I believe everyone of our children, and some of the grandchildren that have lived with us had her as a Primary Teacher or leader. She reached out to each of them, and was always so kind. When Madie was living with us, and missed Primary one Sunday, Janet came to the house with a handout, a pint jar filled with candy. The lid to this jar had a ornamental snowman attached. We have kept it all this time. Janet always had a smile on her face, and something humorous to make us laugh. We loved the sparkle in her eyes, and her kindness to all of us. She will be sorely missed. We pray that you and your family will be comforted with the sweet memories of her life. Love, Gary & Connee Whiting

kids, parents and others. Our thoughts and prayers are with you.

Ron I am so sorry to just learn about Janets passing. Since they stopped printing the newspaper we miss important notices. You and Janet have been good friends for many years, even if we did not get a chance to see each other.
