We met Janet & Bob Smith in Crystal Lake. ILL. in 1967 or early 1968.! Their family was a joy to know. We were all active in the Newcomers Club. Janet & I were so lucky to be in the same Bridge Group with lots great gals. We had so many fun times together, lunches, dinners & so many parties! Janet was a beautiful woman inside & out.. Kind, caring & funny. She also was the best mother. We were so fortunate to be her friend. Jan will. E so missed❤■❤■❤■ Peggy & Don

Janet was a kind caring woman, whose focus was always on her wonderful family. She will be remembered as a role model for mothers and grandmothers who were lucky enough to have known her. My condolences to the family
