It is unbelievable to me that J is gone from all of us. I especially want to send my love to Gordon, Dorothy, Brooke and Madison. J was such a driving force and caretaker of all! I can't even imagine the earth without her sweet funny courageous soul. God Bless you.

Grammy J was a beautiful person both inside and out, her gorgeous red painted nails had me at an awe. She always had beautiful stories to tell and was completely selfless. She will be missed by so many, me and my family being some of the many❤■❤■❤■

So sorry to hear about your grandma. We love you and hope you can be comforted at this time. So glad you joined our family Gabbie. This virus is awful. We were so lucky to get through it at our age.

Madison, Our prayers are with you and your family. I only had the opportunity to speak to you once at Chris's birthday, but from that one conversation I'll always remember how lovingly you spoke of your mom and how you loved her living close to you. Our love to you and Don, Mark and Marianne Graves

Dear Janice, how I so appreciated all the years we were able to work together. Janice was always enthusiastic and upbeat, so enjoyable to be with, and always so knowable and able to handle new issues. I loved the relationship Janice and Gordon had established and her outlook on life. I must admit it was a bit of a challenge when we went to lunch, decision making for a meal was very difficult for Janice. My sympathy to all the family for loss of a wonderful, bright and uplifting woman, I grew to love Janice as a friend, associate and patient. Condolences to all, we will miss her. Dennis Gordon MD

My deep condolences on losing Janice. What a beautiful human, and such a doer for people. She will surely be blessed by our Creator. We don't find many people like Janice that will help and care for so many. Our God Jehovah has promised us all a resurrection of life everlasting on earth. His book the Bible states in "JOHN 5;28, Do not be alarmed because the hour is coming in which all those in the memorial tombs will hear his voice (Jesus) and come out " So we will be seeing Janice in the resurrection. What a wonderful hope, God did not plan for us to die, he loves us and we have that hope. Emily Palmer
