

Janice Hoskin Lewis

December 17, 1934 ~ May 29, 2021

Dear Aunt Janice, We are saddened by your passing on this side of the veil, but comforted to know that you have joined Uncle Frank and so many other family members in a Happy Reunion on the other side of the veil. I will always remember your laugh and sense of humor during our get togethers and the love you showed us when we stayed at your house. With Love and Gratitude, David Pierce, Nephew
