Dear Hennefer Family, my heart goes out to you at the passing of dear Janice. Janice and Ken will always have a dear place in my heart as they allowed me, their niece, to come live with them one summer as a 13/14-year-old. I had a great time hanging out with my cousin Julie (we were less than 2 weeks apart in age) and felt so welcome into their home. Even knowing that she is no longer suffering, that she's had a sweet reunion with family, the heart still hurts. I pray that you will feel God's arms around you during this time. Sure do love your dear family!

Sad to read this news Ken. I only met your beautiful wife one time but knowing you instantly made me like her. Thank you for the years you made my life better and I wish for your comfort and peace.
