Janice was such a sweetheart. I am so glad to have known her when I was a young woman. Sending love and prayers to Richard and all the boys.

Janice was like a second mom often to me when growing up. I was often at their home playing with Ryan. Most importantly she is an amazing mother, and she is finally able to reunite with her two sons. She was my mom's best friend and they are now reunited together as well. Love all the Cootey family. We are saddened for this loss but Heaven has gained an amazing soul.

Our heartfelt sympathy to Richard and his entire family on Janice's passing! We were young friends in school and neighborhood days in Reading, MA! Such a beautiful obituary of a person who touched the lives of her family, friends and in her profession! May you be comforted in your moments & days of grief by God's promises of life eternal through Jesus Christ the Savior!!!

I spent much of my teenage years hanging out with Jason and Ryan and Janice welcomed me like another one of her sons. The loss may be hard but Janice has given us a great example of a life well lived. Heaven has gained an angel welcoming Janice home.

We were very sorry to hear about Janice's passing. She was an incredibly kind and loving person, and I know how much she meant to the Cootey family. I have so many cherished memories of her, and I'll always remember her

warmth, generosity, and the way she made everyone feel like part of her family. During this difficult time, please know that our thoughts are with you. I hope you can find comfort in the beautiful memories you shared and the love that will always surround you. We find great comfort in knowing that she is no longer in pain, and is reunited with Ryan and Brian once again.
