I am so blessed to call this wonderful lady Mom. She made a difference in my life. She always lived the teachings of the gospel and strived to do her best. I know that she was so happy to be reunited with my Dad and it was a happy day in Heaven. Love you Mom!!!

I am so lucky to be a part of this family. So thankful for how welcome Janice always made me feel. I have always felt loved and accepted in her home and family. So blessed to have all the wonderful brother and sister in-laws that I do. Can't thank grandma enough for raising my wonderful wife who blesses my life every day!!! We will miss you grandma, but know your reunion with grandpa must have been awesome! May you be blessed until we meet again. Love you son-in-law Layne
