

Janice Tebbs Gottfredson

November 24, 1941 ~ November 9, 2020

Sorry for your loss. You and I served in Helena, 400 N. Rodney, from 10 Feb. 57 to 22 Apr. 58. A member of the Helena Ward was Joan Karyl Evans. I knew Joan in Helena, but didn't begin associating with her until she came to BYU with her friend Eva Kaye Glover. I married Joan 22 June, 1960. Joan passed away 16 Sep. 1988 from brain cancer. We will see if we can participate with you on the 14th via virtual. I enjoyed our missionary days together, and our conversations at the mission reunions. Stay safe, and happy. Janice and I are cousins through William Madison Wall, his daughter Temperance, to my grandfather Archie Boren to my mother Lucille Boren. It's interesting the connection that we find with those that we know. Jerry Butt

I would like to thank my Heavenly Father for the opportunity I had to meet Sister Gottfredson on my mission. I am a better person for meeting her. She had the ability to be straight and loving at the same time. She was always happy and smiling. She taught me a lot of things about the gospel and life. I hope to meet you again. I send my condolences to all the family members and I wish you peace and comfort that only Jesus Christ can give you.

I have warm memories growing up going to Aunt Janice and Uncle Mike's home on Sunday evenings. There were always warm rolls and plenty of them. She would console me on our occasional sleep-overs and was always very kind to me. A small gesture and memory I have is once when I stopped by to visit with my young family and how both Janice and Mike followed us out to the car on the street to thank us for coming. I remember thinking, they didn't need to come all the way out here. But that was one of many small ways in which they loved people and made us feel special. I send my condolences to my cousins and Uncle Mike. This darn Covid stuff kept us from coming to the funeral but my wife and I's thoughts were with you.

Martha and I wish to send our sincere condolences with Janice's passing. Janice was such a kind and happy person. We enjoyed her many visits to Maryland to visit Dan and Heather. She seem to be the perfect complement to Mike. Together they were amazing and had a positive influence on some many people. It was easy to see that her greatest joy and success was her family. She always had a twinkle in her eye when she was around her children and grandchildren. She will be missed but leaves a legacy of love and devotion to God.

Mike, Just want you to know I am thinking of you and your family. I know that Heavenly Father will bless all of you with the peace and comfort you need at this time. It was a wonderful service yesterday. I was glad to find out that you and Janice have such an outstanding family and have helped so many people in your life. I remember that Janice was a sweet little girl who had a close relationship with Grandma Tebbs.
