

## Janis Spencer Bean Glade

*August 31, 1934 ~ October 25, 2025*

---

I was able to assist my Mom (Joanne) Janis's sister watching her service via Zoom. Memories of family and childhood trips to Salt Lake City, Fredonia, Kanab, and other places to join family for celebrations. As a young child visiting the Glades at Port Hueneme and fun times with Boo (Rulon) my same age. Later in my high school years visiting skyline house and going to back to school dance with Boo. My Mom sends her love to all and my prayers n thoughts are with you all...your California family still remembers and loves you all. ♥■ Terry Stevens
