

Jarett Edward White

August 19, 1971 ~ February 25, 2024

Amy, Megan, Nate, and Ethan, My deepest condolences on the death of your husband / dad. I'm so thankful he was able to walk Megan down the aisle - and have such a beautiful father-daughter dance. And so great that he could enjoy Utah's outdoor beauty with Ethan. I'm thankful for the wonderful opportunity to see Jarett at Megan and Nate's wedding in July. You are such a wonderful family - and your strength and support for each other will be crucial. May your memories of Jarett help you through this difficult time. With sympathy, Amy J (Bismarck, ND)

I didn't really know Jarett. But he married a dear friend of mine from the U of U and LECM (Lutheran Episcopal Campus Ministry). I saw how much she loved Jarett and how happy she was being his companion. Amy would send me pictures of the many places they had traveled over the last few years. I was moved to write here by the picture of Jarett in shadow with the sun rise behind him. What a beautiful and stirring image. Amy never sent me this picture. But I'm so happy they included it here. Amy, Megan & Ethan, I am so sad to hear of Jarett's recent passing. I knew Jarett quite well during his high school years and reconnected with him perhaps a dozen or more years ago. Over the last few years, we exchanged a number of emails and it was so nice to be back in touch with someone who'd meant so much to me when I was growing up. Jarett mentioned his battle with cancer a few times, but never really complained or even spent much time talking about it. He preferred to talk about the three of you, and of his camping trips. He was so proud of all three of you. He sent me a few pictures one time of a trip he took with your family dog (this was several years ago) and he looked so happy. I knew Jarrett in the DC area so we didn't have a lot of outdoors activities there, but I do know Jarett always enjoyed his solitude or with his closest friends, without lots of extraneous goings on. Anyway, I'm very sorry for the deep sense of loss I know you must feel. I imagine there's some comfort knowing he's no longer fighting that awful disease, but I'm sure you still miss him terribly. If I know Jarett, though, while his body is now gone, I can't imagine he's really very far from any of you. He loved you so, so much, and you brought him so much joy. Brett
