I'm not entirely sure you or anyone remember me. I am Charitilynn Durrer's daughter. Anyways, today while sitting at work the job I've always dreamed of, Jason's name popped into my head. I Google searched him, it's been so long since I've seen him and I wanted to ask him questions.. I seen this and my heart sank. A man who cared for me when I was just little. Who was at my dads funeral, a really great man is gone. I'm so sorry for your loss. He was truly an amazing man.
