Jason Michael Becker

February 2, 1978 ~ March 1, 2023

My heart is broken for your family. Jason was a wonderful friend and neighbor. He was constantly working to improve life in his home, and for the people around him. The world lost a very good man. Thinking of you and sending all my love!

Our deepest sympathies to all of you, along with many hugs too. Sometimes there are not enough comforting words to say at a time like this. But our hope and prayers to you are full of love, peace, to rejoice in all your precious memories you have of Jason. We were happy of the times we had with him, and so grateful for family blessings. God Bless you all ❤■

I was honored to know Jason late in the game, as his hospice nurse. From the moment I met him and his beautiful family, I knew that I was in a sacred space and blessed to be a part of their lives; Albeit a short time. It was unbelievably clear how much he loved his family and the legacy left behind was a beautiful example of life well lived.

I am writing this with a heavy heart. To My Handyman, I will miss you dearly, your smile, sense of humor, ability to make me laugh when I shouldn't, our conversations, sometimes funny and sometimes serious but most of all knowing you where always a phone call away. I'm sorry I couldn't come see you but I just could not bare to see you after you had talked to me about your condition. You are and always be one of the best young man I have ever had the pleasure to call a friend. To Emily, take care of yourself and that little angel. You are blessed with some wonderful memories, hold them close to your heart and remember you are and always will be loved by a beautiful soul mate. Until we all meet again, REST IN PARIDISE JASON.
