

Jason Michael Soulier

February 15, 1970 ~ December 28, 2024

Président Soulier left a lasting influence on the heart of the members of the Lyon mission. He was full of contagious love for his roaring Lyon missionaries. My love and prayers are with your family during this difficult time.

- Laurie-Anne Parks

My heart hurts for you, Jennie! I have no words. Just know that I love you!!!

- Heidi Livoyochi

Jennie, I have no words to convey my sadness at Jason‘s passing. I remember waving at him as he drove down the street with a big smile on his face! I cherish your last visit on the night before you entered the MTC. Thank you for being such wonderful examples and dear neighbors. Don and I love you and your great family.

- Brenda Fawson

Jason left a lasting impact in our life with his love and service. We are so grateful for Jason's love, guidance, and example to us during our formative young adult years. We are heartbroken and You, Jennie and family, are constantly in our thoughts and prayers during this time. We pray that the knowledge of Jason's faith in Christ and His plan of Happiness brings comfort and confidence during this difficult time. Much love, John & Sara Peterson

Jennie, You are on my mind and in my prayers. Sending so much love.

- Lindsey Thomas, Boston 2nd 2002

Mike and Barbara, Margo and I send our deepest and sincere condolences at this time of Jason's passing. We are all at a loss to understand it. Without our knowledge of the restored gospel, this would be almost too much to bear. But this we know, Jason's life of devotion to the Savior and his family, and of service to all, his high place in the mansions above is assured. Oh how wonderful that future day of reunion will be. May the Lord bless you at this tender time. Much love to you, Gar and Margo

- Garfield Cook

Dear Jenny, I am so sorry for the loss of your wonderful husband. You and your family are in my prayers. How blessed we are to know that we will be united again with our loved ones.

- Christine Anderson Fairclough

Dearest Jennie, I can only imagine what a shock this has been. I pray that Gods comforting arms surround you and your family at this very difficult and tender time. We'll continue to fast and pray for you! You are so loved! ♥■

- Melinda Morgan Crapo

The Moore family sends its love to the Soulier family. Jason was one of my best friends. I have so many fun memories with Jason. From visiting Time Square NYC on New Years to late nights hanging out at the Sigma Chi house playing pool or just laughing together. Jason was definitely one of a kind. In Hoc, Brad

- Brad Moore

We love our dear brother Jason! We send all our love at this time. So many wonderful memories for both of us who served with him on his first mission to France and Switzerland in 1990. Notre cher frere. ❤■ Our hearts are deeply saddened that he left so soon — no one carried more light or conviction about the Savior and his work. We are so glad that he got to go back to our mission before he moved on to a more perfect world and another field of labor! We know he leaves a legacy here that will remain and that there will be a joyful reunion one day. We love you!!

- Darin and Melanie Dewsnup

Chere famille Soulier, we send our love and many prayers to you at this time. Darin and I have so many wonderful memories with Jason (Elder Soulier!) during his first mission as a youth. Jason was the first person I met when I arrived in Geneva, (he was the assistant to the president at the time.) He radiated a contagious love for the Lord and his fellowman even then. Darin was blessed to be his companion for a time — so we were both blessed with cherished memories of your beloved husband and father. We are so sorry he had to leave so soon. He is a valiant servant of the Lord —and one day when the Lord rolls back the curtain, we will understand the great plan He had to use him in service in a far more perfect world—and yet allowing him to return briefly to his beloved France before calling him home to another field of labor. We love you and pray that you feel Jason near and feel the peace that only God can provide. Sending all our love. Gros bisous! The Dewsnups ❤■

Jason made a great impact in this world from his earliest years. I am grateful to have grown up with him and learn from his example of excellence in all facets of his life. As a youth he led our deacons, teachers, and priest quorums

with faith and enthusiasm. With equal energy he was also a role model in leading our scout troop, as well as bringing his competitive edge to our ward basketball team, ensuring many victories including stake and regional championships. He set a shining example to all the youth in our small, LDS community about living a passionate, faith-filled life, and that example continued the rest of his life wherever he went. In short, Jason showed us how to live a consecrated life with enthusiasm, a memory and example I will always cherish. Extending our deepest sympathies to the Soulier and Hinckley families at the passing of Jason.

Hello Sister Soulier, Thank you so much for serving our son in the France Lyon mission. The impact that you and President Soulier had on our son, William Pehrson, will be with him for the rest of his life. Thank you for everything. We will continue to keep you and your family in our daily prayers. Much love to you and your family from the Pehrson family.

Dear Barbara & Mike; Words simply cannot convey the sorrow that we feel for you and your family at the loss of your precious son Jason. We remember Jason well from the years you lived here in Delaware. He truly had a beautiful soul. Dick and I pray that God keeps you all under his wings and provides you some comfort in knowing he is in Gods hands and one day you will see him again. We love you. Anne & Dick Wier. ❤■

Dear Mike, Barbara, Jenny and family, Our thoughts and prayers are with each of you at the loss of your son, father and husband. . We are grateful for the family opportunities we had to interact with him over the years. Jason was such a kind, caring and compassionate man who was always cheerful and delightful to be around. Sincerely, Cheri Soulier

- Ryan and Cheri Soulier

Jennie, Mike and Barbara, We still can't believe that Jason has left this earth life. It is so shocking, so premature and so painful. The Slaughs and the Souliers lived in the same Ward from the time we moved to Delaware in 1980 to when he left on his mission. He was a very special young man. Both Karen and I had lots of interaction with Jason through Primary and during his Young Men's years. He loved everyone and always tried to do what was right and to do his best. He excelled in everything he did. Before Mike retired and the Souliers moved to SLC, he used to regularly drop in to see us when he was home. He also would call me a couple of times a year to check on how we were doing. We always heard about how much he loved Jennie and his children, and he always had amusing stories to tell us.. I will always remember his captivating smile and personality. He emanated love for everyone. Along with all of you we will sorely miss him. Our hearts go out to all of you over the loss of our dear friend, Jason, and we pray for the power of the Comforter to comfort you. Love, Jim and Karen Slaugh

Bonjour, nos sincères condoléances a toute la famille. Vous êtes dans nos prières.

- Pascal Perez

It was always an uplifting, inspirational and encouraging message that President Soulier gave at Stake Conferences. His enthusiasm was contagious. His smile radiated his love and the love of the Savior whenever I was in his presence. Thank you for sharing him with us. He will be greatly missed by all whose lives were blessed by him. My condolences to each of his family members and dear friends.

- Kathy Norton

Dear Sister Soulier, I'm the mother of your missionary Sister Cody Alkema. She speaks so highly of you and President Soulier. We have felt very broken hearted for you and your family and missionaries. We pray for your support and understanding of the way forward. Love,, John and Janice Sipherd

My deepest condolences to all the Soulier family. Jason was such as great example to me in church, sports, and scouting activities while growing up in Wilmington, Delaware. He will be missed!

- Steve Ward

Jim and I send our heartfelt condolences for the loss of your amazing son, husband, brother, father. The services for him today were a remarkable tribute to him and the legacy he has left behind for now. His impact for good will be felt by many. May the Lord bless you all with comfort and peace.

- Kathy and Jim Jensen

Dear Barbara and Mike: Our hearts are broken with you. All these years later from back in Wilmington, I still remember when Jason was accepted to the U of U and how excited he was! He has accomplished so much in the intervening years and we know, as you do, that he is where the Lord needs him. But that does not mean he will not be so missed on this side. With love, Nicole and Brad

- Nicole Toomey Davis and Bradley N. Davis

Dear Jenny and Jane, Chuck and I have been heartbroken at the sudden loss of your loved one, Jason. Although we have never met him, we are aware of the outstanding servant of God he was. I, personally, would like both of you to know how much I've appreciated Jenny's warm kindness to our son, Jeremy and his family. It truly has meant so much to him and to me - knowing he has had so much support from her. Then to have this happen in such an exceptional family saddens me and reminds me the best of people have sorrows like everyone else. The mission in France will surely miss the Souliers. Please accept our deep condolences and love. Dixie Clegg

Jennie, Pr. Eyring recently said: "The test a loving God has set before us is not to see if we can endure difficulty. It is to see if we can endure it well." I have been impressed by the way you went among the missionaries in Lyon, hugging them and smiling through all of this. You are a living example of what it means to endure difficulties well. The funeral service was a testament of that love and fortitude typical of you and of your whole family. I believe the Lord will bless you now even more that Jason is on the other side of the veil doing what he loved doing the most: sharing the Gospel. With so much love and gratitude!

- Daniela Battezzato

Dear Soeur Soulier and Family, We just finished watching the funeral service and cried and laughed throughout the whole thing. What a wonderful tribute to a great man that we were able to only glimpse for a short time but who was so impactful on our lives. Thank you for lifting us higher as missionaries with your love and support. We loved his infectious enthusiasm and love for the Lord. We have been changed for the better because to him and you. Elder and Soeur Spackman

- Camilla & David Spackman

Jennie, You and Jason were amazing examples to us as a young married couple in the Boston 2nd ward. Jason was a gifted leader and a loving friend to us. His love for everyone and enthusiasm for life were contagious. We so appreciate your influence in our lives. You are in our thoughts and prayers. -Beth & Matt

We are so sorry to hear of the loss of your son, Jason. Our prayers are with his family and yours.

- Carol and John Buswell

Jenny, I am so sorry for your loss.

- Andrea Drossos

You have been inundated with condolences and prayers, to which we add ours. But the good warm memories we have of you and your family from the DE days, and especially our interactions with Jason which were always positive. Dick Hinckley was our first boss out of the U, and he has always been a loving and proud father-in-law. Unlikely we will ever cross paths again—although we would love that, but you have our heartfelt feelings of gratitude for having known you and your fine examples….Best to you!
