~

Paula and I are feeling your loss deeply. Words cannot express the feeling of loosing a child. We will mourn with you and hope one day your next experience is a blessing.

From the moment I found out your mommy was pregnant I was shocked but so excited to be an auntie to a baby boy that would steal everyone’s heart the moment you were born. Turns out God had other plans and heaven needed you more then earth. Until we meet again my little nugget! You have a face of an angel that is never forgettable! Thank you for making me an Auntie. You are so loved and will be missed more then ever my sweet baby Jaxx Robert Larsen. Fly High Angel Baby! ■

I am so sorry for your loss sweetheart. Stay strong, you now have an angel. An angel to always watch over you. Don't give up hope. You will someday have a beautiful little family and Jaxx will be right there with you, cheering you on and keeping you and your family safe. No words can take away the pain you must feel but just remember, everything happens for a reason. Sincerely Layccei Bottoms.
