

Jayne Winters Fife

May 2, 1933 ~ May 2, 2023

Miss this sweet kind hearted lady. We had so many good visits once a week. Words cannot express my gratitude for Jayne being in my life. I’m sorry for your loss, but I am thrilled for her reunion with family on the other side. May you find comfort in the memories you cherish of Jayne. I know Jayne appreciated all the loving hours that John served, loved and helped his Mother, Jayne. A wonderful relationship for both of them.
