Dear Heather, We were heartbroken to hear of the sudden loss of your daughter. There truly are no words that can ease something so profound, but please know that you and your family are in our thoughts during this incredibly difficult time. Please don’t give a single thought to any work or obligations with us right now. Your only focus should be on your family and taking the time you need to grieve and be together. We have complete understanding and respect for that, and we hope this can lift any weight or concern you might feel on our behalf. Wishing you strength, comfort, and peace in the days ahead. With deepest sympathy, Ryan and Karin McMurtrey

Jazmine was an incredible friend to me while I worked at Huntsman. We shared many conversations about life and love. I will always remember her kindness and dedication to her patients. Sending so much love as you navigate this difficult time ❤■

I am not going to be able to make it to the funeral services today, but I am thinking of you and your family and friends. I am a nurse and I have worked with Jasmine many years at Huntsman. Almost as long as I have been there, almost 10 years. I can surely say that she was faithful, patient, calm and supportive to our patients. I saw it over and over again. She had a supportive voice and lent her strength to our patients, many of who were afraid and in need of her calm and compassionate nature. She was a beautiful soul and we will surely miss her. I don’t know what happened, but I wanted to make sure you know that we care and we are so very sorry for your loss. We will surely miss her and our hearts ache with you. Much love and sympathy to you all.
