Our deepest sympathies to the family. Having known Jean Ann and experienced first hand her loving care and dedication in the service to her fellow brothers and sisters, and her love for the gospel of our Lord Jesus Christ are memories that will be forever treasured in our hearts.

An angel slipped away to a far better place. She was held in the highest esteem by our family, especially by our sons Mark, Shane and Ryan...all three coached to Eagle Scout. Linda loved camping with her at girl's camp where her happy, caring nature made it fun for all. Such a wonderful influence. Great memories of the Fletcher family fill our hearts. We love you Ron and family.

So sorry to hear of the passing of Jeanann Fletcher, she was awesome in everything she did and accomplished a lot in her life. We have missed her and Ron for a while. Prayers and thoughts for Ron and the family. we love you all. Our son, Mike was one of her boys and she taught the boys a lot. He will always love and remember her.

So sad to hear about Jean Ann's death. We have such fond memories of her both in Willow Creek and also in the Dominican Republic. We have a church assignment Wednesday so won't be able to attend the funeral, but our thoughts and prayers are with you.

14 yrs ago I was called to visit teach Jean Ann and she was a blessing. She told me some of the best stories and her love for the gospel and family. I will miss her but so grateful I got to spend time with her. Love and prayers to the family.

Just wanted to send my love to the Fletcher family. You've all been so kind and like extended family to ours. I've always appreciated that. Jean Ann is such a fun lady. I remember all the time she and Mom would let me come along to the older boys scout camps, and then later when it was my age group. I really looked forward to those every year. She made them free of worries and drama. Everyone always ended up having a great experience. She also is a great skilled blanket maker. I still have the blanket she made and use it all the time. Has held up as looks great after 30+ years! Amazing! I know she and my mom Rosemary had a great friendship over these many years. It's nice to think of all the great times I'm sure they had over that time along with the Fletcher clan. Thanks again, Jean Ann, for being such a great example of kindness and generosity with your time and talents. Love you! ♥■
