

Jean “Jeanne” (Ashley) Angelos (Thompson)

October 17, 1959 ~ October 4, 2024

That picture is exactly how I remember Jeanne looking! She married my brother John at a young age and we were very blessed to have welcomed their daughter Tasha Jean King! Although Jeannie and John were young, they loved their daughter Tasha so much! Our entire family loved Jeannie so much and she was a part of our family for many many years. Even after they divorced I don’t think they ever stopped loving each other…and we never stopped loving Jeanne♥■ Jeanne did everything for her kids and grandkids and they were her life! She had so much love to give! I remember all the good times with Tasha growing up…christmas Eve at Grandma Robertson’s , our camping and fishing trips … We had alot of good times! Jeannie was loved and will be missed but I am so very grateful for her daughter Tasha! I send all my love ♥■♥■♥■♥■
